The Company, pursuant to Article 40 of the Companies (Uncertificated Securities) (Jersey) Order 1999, specifies that only those shareholders registered in the register of members of the Company as at 6.00pm on Monday, 25 April 2016 (or, if this AGM is adjourned, in the register of members 48 hours before the time of any adjourned meeting) are entitled to attend and speak at the AGM and a member may vote in respect of the number of ordinary shares registered in such member's name at that time. Changes to the entries in the register of members after that time shall be disregarded in determining the rights of any person to attend, speak and vote at the AGM. In the case of joint shareholders, the vote of the first named in the register of members of the Company who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of other joint holders.

2. Holders of ordinary shares are entitled to appoint a proxy to exercise all or any of their rights to attend, speak and vote on their behalf at the AGM. A proxy need not be a shareholder of the Company. A proxy form which may be used to make such appointment and give proxy instructions accompanies this notice. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST applications host) from which the Company's agent is able to retrieve the message. After this time any change of instructions to a proxy appointed through CREST should be communicated to the proxy by other means. CREST personal members or other CREST sponsored members, and those CREST members who have appointed voting service provider(s), should contact their CREST sponsor or voting service provider(s) for assistance with appointing proxies via CREST.

Further details of the appointment of proxies are given in the notes to the proxy form enclosed with this pack.

Corporate representatives

3. Under the Companies Law (Jersey) 1991 a body corporate may only appoint one corporate representative. A holder of ordinary shares which is a body corporate that wishes to allocate its votes to more than one person should use the proxy arrangements.

Nominated persons

4. Any person to whom this notice is sent who is a person nominated pursuant to article 128 of the articles of association to enjoy information rights (a Nominated Person) may, under an agreement between him/her and the shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the AGM. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights.
5. The statement of the rights of shareholders in relation to the appointment of proxies in paragraph 2 above does not apply to Nominated Persons. The rights described in that paragraph can only be exercised by ordinary shareholders of the Company.

Issued share capital and total voting rights

6. As at 10 March 2016 (being the last practicable date prior to the publication of this notice), the Company's issued share capital consisted of 278,382,478 ordinary shares at 10 pence each carrying one vote each plus 1,865,720 shares held in treasury. Therefore, the total voting rights in the Company as at 10 March 2016 are 278,382,478.

Shareholders' right to ask questions

7. Any shareholder attending the AGM has the right to ask questions. The Company shall answer any such question relating to the business being dealt with at the AGM but no such answer need be given if:
- to do so would interfere unduly with the AGM or involve the disclosure of confidential information;
 - the answer has already been given on a website in the form of an answer to a question; or
 - it is undesirable in the interests of the Company or the good order of the AGM that the question be answered.

Voting results

11. It is intended that voting on all resolutions will be conducted on a poll rather than on a show of hands. The Company believes that this is a more transparent method of voting as member votes are counted according to the number of shares held. As soon as practicable after the AGM the results of the voting at the meeting and the number of proxy votes cast for and against and the number of votes actively withheld in respect of each of the resolutions will be announced via a Regulatory Information Service and also placed on the Company's website at www.genelenergy.com

EXPLANATORY NOTES TO THE NOTICE OF ANNUAL GENERAL MEETING

The notes on the following pages explain the proposed resolutions. Resolutions 1 to 13 are proposed as ordinary resolutions, for which, in order to be passed, more than half of the votes cast must be in favour of the resolution. Resolutions 14 and 15 are proposed as special resolutions, for which, in order to be passed, at least two thirds of the votes cast must be in favour of the resolution.

Adoption of report and accounts - (Resolution 1)

The Directors are presenting the report of the directors and the accounts of the Company for the year ended 31 December 2015 to shareholders for their approval. The report of the directors, the accounts, and the report of the Company's auditors on the accounts and on those parts of the directors' remuneration report that are capable of being audited are contained within the annual report and accounts.

Approval of annual report on remuneration - (Resolution 2)

The annual report on remuneration, which may be found on pages 56 to 62 of the annual report, gives details of your directors' remuneration for the year ended 31 December 2015 and sets out how the Company intends to apply the remuneration policy for Directors in 2016. The Company's Auditors, PricewaterhouseCoopers LLP, have audited those parts of the annual report on remuneration required by law to be audited.

Shareholders will be invited to approve the annual report on remuneration by way of an advisory vote, in line with the regulations.

Re-election of Directors - (Resolutions 3 and 6 to 10)

Resolution 3 and Resolutions 6 to 10 propose the re-election of Directors retiring by rotation in accordance with article 62. The re-election of Directors will take effect from the conclusion of the meeting.

Biographical details for each of the Directors submitting themselves for re-election may be found on pages 42 to 44 of the annual report. The Board considers that the Directors continue to make an effective and valuable contribution and demonstrate commitment to the role. Accordingly, the Board recommends the re-election of all Directors put forward for re-election.

Election of Directors - (Resolutions 4 and 5)

Resolutions 4 and 5 propose the election of Directors appointed during the year. Murat Özgül was appointed as a Director on 12 July 2015 and Simon Lockett was appointed as a Director on 19 January 2016. Their biographies can be found on pages 42 to 44 of the annual report and the Board recommends their election as Directors of the Company.

Re-appointment of auditors and auditors' remuneration - (Resolutions 11 and 12)

The Auditors of a company must be re-appointed at each general meeting at which accounts are laid. Resolution 12 proposes the re-appointment of the Company's existing Auditors, PricewaterhouseCoopers LLP, until the conclusion of the AGM of the Company in 2017. Resolution 12 gives authority to the Directors to determine the Auditors' remuneration.

Authority to make political donations - (Resolution 13)

The Company is not subject to the UK Companies Act 2006 as it is incorporated in Jersey; however, the Company intends to comply, to the extent practicable, with certain of its provisions and the Company has therefore decided to propose Resolution 13 to seek the approval of its shareholders for certain donations and expenditure.

It is not the Company's policy to make political donations. However, the Company would like confirmation of its authority as set out in this resolution to allow it (and its subsidiaries) to fund activities which it believes are in the interests of shareholders and that the Company should support. Such activities may include briefings at receptions or conferences - when the Company seeks to communicate its views on issues vital to its business interests - including, for example, conferences of a party political nature or of special interest groups in the energy sector. Any expenditure which may be incurred under authority of this resolution will be disclosed in next year's annual report.

Authority to purchase own shares - (Resolution 14)

This resolution authorises the Company to make market purchases of its own ordinary shares as permitted by the articles. The authority limits the number of ordinary shares that could be purchased to a maximum of 27,838,247 (representing approximately 10 per cent. of the aggregate issued voting ordinary share capital of the Company as at 10 March 2016) and sets minimum and maximum prices. This authority will expire at the conclusion of the annual general meeting of the Company in 2017 or 27 October 2017 whichever is earlier.

The Directors have no present intention of exercising the authority to purchase the Company's ordinary shares, but will keep the matter under review. The authority will be exercised only if the Directors believe that to do so would result in an increase in earnings per share and be in the best interests of shareholders generally.

Any purchases of ordinary shares would be by means of market purchases through the London Stock Exchange. Any shares purchased under this authority may either be cancelled or held as treasury shares. Treasury shares may subsequently be cancelled, sold for cash or used to satisfy options issued to employees pursuant to the Company's employees' share schemes.

As at 10 March 2016, there were options and awards outstanding (under the Company's employee share plans) over 2,871,254 ordinary shares in the capital of the Company, which represent 1.03 per cent. of the aggregate issued ordinary share capital of the Company (excluding treasury shares) at that date. If the authority to purchase the Company's ordinary shares were exercised in full, these options would represent 1.15 per cent. of the aggregate issued ordinary share capital of the Company (excluding treasury shares) as at 10 March 2016.

The authority shall expire (unless otherwise renewed, varied or revoked by the Company in a general meeting) at the conclusion of the annual general meeting of the Company in 2017 or 27 October 2017 (whichever is the earlier).

Notice of general meetings - (Resolution 15)

The Shareholders' Rights Regulations have increased the notice period required for general meetings of companies incorporated in the United Kingdom to 21 days unless shareholders approve a shorter notice period, which cannot however be less than 14 clear days (annual general meetings will continue to be held on at least 21 clear days' notice.) The articles permit the Company to call general meetings other than an annual general meeting on 14 clear days' notice without obtaining such shareholder approval. The Company is not subject to the Shareholder Rights Regulations as it has been incorporated in Jersey; however, the Company intends to comply, to the extent practicable, with the notice provisions required by the Shareholders' Rights Regulations and has therefore decided to propose resolution 15 to seek the approval of its members to continue to hold general meetings on not less than 14 clear days' notice. It is intended that the shorter notice period would not be used as a matter of routine for such meetings but only where the flexibility is merited by the business of the meeting and is thought to be in the best interests of, and to the corporate benefit of, the Company. The Company also undertakes to meet the requirements for electronic voting specified in the Shareholders' Rights Regulations before calling a general meeting on 14 clear days' notice. If given, the approval will be effective until the Company's next annual general meeting, when it is intended that a similar resolution will be proposed.
