Genel Energy plc
Successful tap issue of bonds

Genel Energy Finance 4 plc has successfully placed USD 35 million through a tap issue under the outstanding senior unsecured bonds (ISIN NO 0013512384). The additional bonds were placed at price of 104% of nominal amount and received strong interest from a wide set of new and existing investors. The purpose of the tap issue is for general corporate purposes. Total outstanding bonds will be USD 135 million following settlement of the tap issue. Pareto Securities AS acted as Manager and Bookrunner.
